- Snacks and beverages provided (free). Meals are available for an extra charge
- SPRAT fees (\$100)
- SM will rig tower with our ropes and connectors, trainees to provide personal vertical gear (ascenders, descenders, cowstails, back up devices, harness etc)
- Minimum class size, 4 trainees, maximum size 6 trainees
- See PreReq sheet for Entry Test requirements

Additional SPRAT L2 and L3 training is available upon request, and we can tailor trainings to your specific organizational needs and objectives. We have some equipment available for use during the course if needed, though we recommend that each participant bring a full kit ([see gear list](#)).

We have sleeping pods available which include spacious insulated shelters complete with platform, lighting, heating, cot, chair, and side table. Fee for this setup is a one-time \$100 cost. No smoking within.

Please contact us for cabin availability and scheduling (view pictures on Instagram @stillyvalleyperch). Our rental price per night is \$135.

Note:

All participants will be required to sign and date our [Liability Waiver](#) and Acknowledgement of [Tower Safety Rules](#). Client shall provide a Certificate of Insurance.
